## THE HISTORIC NORTHWEST PASSAGE AND THE CGC STORIS: THE STORY OF A YOUNG MAN GROWING UP IN THE COAST GUARD IN THE 1950'S

**BY DICK JUGE**

(Author House, July 2007, ISBN-978-1-4343-1061, 282pp, \$14.99)

An autobiography, the book contains a first person account of the historic voyage of *Bramble*, *Spar* and *Storis* through the previously uncharted Arctic ice fields to find a navigable waterway across the top of North America from west to east. (See page 41 for article on the new *Spar*'s recent trip to the Arctic Circle.) It's an interesting view of an historic event. [Recommended by associate member LCDR Daniel Baumbaugh (Ret).]
